

West Lodge Park  
YOUR LONDON RETREAT

## THE TERRACE BAR AND HOTEL LOUNGE

At West Lodge Park, we try to source our food locally where possible, as befits a company that has been present in the area for eight generations and whose family has links in Hertfordshire back to the fifteenth century.

We are passionate believers in supporting the local area. Please see our local food brochure if you would like more information on the local produce.

### Non-Residents

*Our bar and lounges are open to non-residents between 10.00am and 10.00pm, and until 10.45pm for drinks. From 11.00pm onwards, the bar terrace and lounge is reserved for the sole use of hotel residents.*

#### Allergen Legend:

(CE) Celery, (CR) Crustacean, (DA) Dairy, (EG) Eggs, (FI) Fish,  
(GL) Gluten, (LU) Lupin, (MO) Mollusc, (MU) Mustard, (NU) Nuts,  
(PE) Peanuts, (SD) Sulphur Dioxide, (SO) Soya, (SS) Sesame Seeds,  
(V) Vegetarian, (VE) Vegan

We produce food in a kitchen where allergens are handled and while we try to keep things separate, we cannot guarantee that any item is allergen free.

THE TERRACE BAR

## Eilles Loose-Leaf Teas & Café du Monde Coffee

### Black Tea

*Black tea is crafted to reveal the strongest and deepest flavours. The British Afternoon Tea was developed to complement the rich, dark flavours of these leaves. These black teas have been traditionally hand-crafted in small batches with great care to preserve their wonderful subtleties of flavour.*

English Breakfast  
Decaf English Breakfast  
Darjeeling

Lapsang Souchong  
Earl Grey  
Assam

### Green Tea

*Green tea has many subtleties of flavour. The best are both rare and exquisite. The minimum of processing allows the fresh, green flavour of the leaves to be maintained.*

Jasmine Blossom  
Green Sencha

### White Tea

*White tea is the least processed of all teas. Their young leaves and buds are picked in spring and dried in the warm sunshine. They share very delicate flavours.*

Silver Needle

### Herbal Tea

*Herbal tea is not strictly 'tea' because all tea comes from the leaves of *camellia sinensis*. They are infusions of the leaves and stems of different herbs. These herbal infusions contain no additives or flavourings and are naturally caffeine-free.*

Chamomile  
Fruity Berries  
Rooibus

Ginger & Lemon  
Peppermint

### Continental Cafetiere

*A blend of beans from Eastern Brazil, Northern Colombia, Kenya and from South West India. To produce a dark, rich, all-day coffee with a wonderful aroma*

West Lodge Park
